Part V, Line 4 - Intended Uses for Endowment Funds

The intended use of the funds is to further the organization's tax-exempt purpose.

Part X - FIN 48 Footnote

PPMH is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

PPMH applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the

Part XIII Supplemental Information (continued)

relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, PPMH only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheet for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of July 31, 2019 and 2018 or for the years then ended. PPMH's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Internal Assessment Team, 21 members in all, was a blend of hospital staff, and strategic community partners located in Dougherty County, GA. Early on, hospital leadership made the decision to use the Multiple Organization Partnership Model as the approach to Determine How the Community Health Needs Assessment Will Be Conducted. This approach engages multiple organizations, provides a broader focus, and allows greater input in need identification and determining appropriate strategy for action.

Members of the internal assessment team performed key leader interviews, the purpose of which was to gather information, gain knowledge and receive input regarding health issues facing the organization's service area. The interview selection process was careful to include representation that reflects the make-up of patients receiving services in the organization's service area (religious, medical practices, community volunteers, business, political, public health, and the elderly).

substantial risk of forfeiture. The purpose of the SERP is to provide a long-term incentive and retirement benefit for affected executives consistent with the benefit available to employees not impacted by IRS compensation limits on defined benefit plans. The amounts reported as supplemental executive retirement compensation for eligible employees in Schedule J represent credited, but not vested, benefits, and the amounts are available in future periods to the employee subject to continuing employment. PPHS maintains ownership of the funds allocated to each participant until vesting and payment.

For a participant in the SERP prior to 1/1/2017 (a "grandfathered participant"), the first vesting date will occur on the date the participant attains five years of participation under the plan. After the initial vesting date, a grandfathered participant shall have a new vesting date once every 5 years. If any eligible participant attains normal retirement age prior to this separation from service, they shall vest in 100% of the account balance.

Once vested, each participant shall receive a distribution of their entire vested amount within a reasonable period not to exceed 2.5 months. This distribution is treated as reportable compensation to the participant and is included in Part II, Column B(iii). Therefore, Part II, Column B(iii) includes prior year SERP deferrals previously reported in Part II, Column C.
